## Workshop Faculty Welcome Message

ISTS2025

Dear Friends,

It gives us immense pleasure to welcome you to **"Thyroid and Parathyroid Imaging Symposia"**. We're thrilled to host this event, brought to you **jointly by The Indian Society of Thyroid Surgeons (ISTS) & Indian Society of Head and Neck Radiology (ISHNR)** in association with GIC Prime Diagnostic Center and Post Graduate Institute .

This focused event brings together eminent national faculty to share practical insights into thyroid and parathyroid imaging. Sessions will cover current guidelines, evidence-based approaches, and common diagnostic dilemmas encountered in daily radiology practice.

A key feature is our interactive case discussion, where you can engage directly with faculty, present cases, and get real-time answers to your clinical queries. We are confident this symposium will significantly enhance your confidence and accuracy in reporting, particularly from a surgeon's perspective. Registration is free but mandatory, and the event is followed by a networking lunch at : Hotel Hyatt Regency, Ashram Road, Ahmedabad.

We also encourage participants to attend ISTS 2025 conference post lunch at same venue.

We eagerly anticipate your enthusiastic participation!

Regards
